The child when it is born is helpless. It has to be Nursed and looked after well. This means there should be a Family just as the child cannot live without the family. The family cannot live without a society. The family Small unit in society. It is in the family that people live More closely. The members of a family love one and all. In a happy and good family all the good virtues of human Being are there. The parents love their child and being him up with love and care. In order to bring up their child, they are prepared to make and sacrifice, it is in the family that the child learns good behaviours and all the qualities required for a good person. As such it is very important that the life in the family goes on and smoothly and happily. The modern society is more keen in helping families to love well. The happy and good life led in the families promotes The well being of all men. That family life is very much talked of in the modern society. Such a life is always said to be sacred. The child respects his elders and learns good manners. Family is the place where the child learns all the well good lessons in life. Since the child is born in the family and grows up pin the same, the human race can not continue without family. School is an equally a very fine social institution.
